T	Tom Make sure to use the legacy address in Coinomi, not compatibility (if using mobile app). But really you should keep your LBC to use on the platform 😊	1/2/2020, 6:17 PM
R	razeiv I will surely .. i'm just trying to test the withdrawal as i am a newbie here and i think i will be moving my youtube videos here soon.	1/2/2020, 6:18 PM
